ABOUT THE PROGRAM

- ACPS has partnered with George Washington University's Graduate School of Education and Human Development to expand the number of special education instructional assistants and teachers who serve ACPS preK-12 students in its 18 schools.
- Individuals will be able to apply at the same time to both the GW master's program and employment within ACPS. This opportunity is open to individuals who hold a Bachelor's degree and are interested in pursuing a degree and employment within the Special Education field.
